

Thank you for making your reservation with the **Brick House Restaurant & Lounge**. For large parties of 12 or more, a \$100 deposit is required to fulfill your request. This is due to the added costs of holding multiple tables, increased staff and specially prepared food that are necessary to serve large parties. Deposits will be credited against your final bill as long as 80% of your party is sat and ready to be served within 20 minutes of your reservation time. Accepting reservations is a service convenience for customers however can lead to lost revenue and subpar customer service for other customers if promptness and attendance is not pursued. Cancellations or changes to reservations must be received 24 hours in advance to ensure deposit credits/refunds. We look forward to seeing and serving you during your visit.
